

# WHAT DOES LOCAL LOVE LOOK LIKE?

This is Samantha. She came to Canada from Uganda. Through a United Way program Samantha began volunteering to help children of newcomers to feel at home. "Without United Way I would not be as involved in my community."

This is Nuhaa. "I was born in Syria. When I was four my family had to leave because it was too dangerous there." When Nuhaa's family first moved to Canada, it was a difficult adjustment. But a United Way program made it easier. That's why United Way Peterborough supports programs that build safe and inclusive communities where all can contribute and all voices are valued. And it's thanks to supporters like you.
