

Corporate Membership Application

United Way Peterborough & District (UWP) is a local non-profit organization providing resources and opportunities to local charities since 1941. United Way gives everyone in the City and County of Peterborough the chance to be a philanthropist allowing us to work together to help individuals and families to overcome barriers to economic opportunities and life's tough challenges.

To make a difference and bring about positive change in our communities, there exists a tremendous base of support from donors, volunteers, corporations and labour. As one of the largest and most successful local non-profit organizations, UWP has access to extensive resources in our community. Our resources, combined with the continuous support of our loyal donors and volunteers and their dedication to the community, are what make UWP the positive force for change it is today.
