

WHAT DOES LOCAL LOVE LOOK LIKE?

This is Wendy. "I first became involved with United Way through a campaign in my workplace." Her donation helps kids finish high school.

This is Emily. When she was in grade 11, she left home. Balancing life and school became a challenge. United Way funded programs helped her get back on track. United Way Peterborough supports programs that give guidance and mentorship needed to help youth like Emily to reach their goals and graduate high school. "Now I can be a role model to my two younger brothers." And it's thanks to donors like Wendy and you.
