

2021 - 2022

# ANNUAL REPORT

# Land Acknowledgement

# Message from our CEO

Community conjures certain images for all of us.
Our community is a kaleidoscope of aspiration,
gratitude, natural wonder, economic transformation,
goodwill, cherished families, legacies of
entrepreneurship, hope, and yes, at times struggle.

Stretching the metaphor of the kaleidoscope, when you pick one up there is an anticipatory sense of the possible, an image that might surprise and delight, fill us with wonder. Whether it is through the lens of a donor, a volunteer, or even someone experiencing poverty, the hope is to strike the perfect balance of light and motion and discover a crystalline image of a whole community.

At the United Way we are privileged to witness everyday resilience in our community. It might be a \$20 monthly donation form a retired senior, with a hand scribbled note saying, "use this where it is most needed." We see it in the generosity of gifts from estates where donors were mindful of leaving a legacy, investing in the needs of their community. Seen too, in the tireless front-line work of our partner agencies as they provide service to clients and advocate for change with various levels of government. We see it in the work of our committees and Board of Directors, who steer and maintain the vision and charism of the United Way. Our Community Impact Committee brings wisdom and energy to the granting process. Our Community Advisory Board helps oversee millions of dollars in Federal Homelessness funding. Our Campaign Cabinet is charged with driving annual revenue, and our Finance Committee ensures compliance and financial rigour. All these volunteers, these ambassadors of goodwill, reflect the resilience of our community.

2021 was marked once again by the presence of COVID, and I can't thank the staff team here enough. With humour, goodwill, a passion to serve and a dedication to build community with, they are the best.

We have embarked on a new strategic reflection exercise undertaken with Arising Collective. The process will sharpen our focus and embed diversity, equity, and inclusion in our work. It has included consultation with donors, volunteers, community leaders and partner agencies, and will serve to drive our work in the future.

Finally I would like to send a heartfelt thanks to our Board Chair Jim Hendry, who has been wise and patient, a sounding board, and a support. His tenure these last 2 years has been a gift, and I am the better for that relationship.

Jim Russell, B.A.A.S.W, M.S.W CEO, United Way Peterborough & District

# **2021 Board Chair Report**

Not all that long ago United Way of Peterborough and District was viewed almost entirely as a fundraiser. Our annual campaign raised money we disbursed to community agencies to help them do their work. However, UW Peterborough insiders knew there was more to the organization than fundraising, as important as that role is.

So we started to also emphasize what we labelled our "community impact" role. Community impact was loosely defined as things that get done with the money we raise. A lot of those things were done by the 20 UWP partner agencies who receive long-term, core funding totaling just over \$4.2 million during the five-year term of our commitment that supports their work in the community.

But UWP has many other community impact outlets. Programs like Coats for Kids, Backpacks for Success and Tampon Tuesday have been around for years, even decades. So has our role in community advocacy and social research. Lately we've been expanding in those areas, partly because we're flexing our impact muscles and partly because other organizations have moved on or faded off and there were gaps to be filled.

We are now responsible for the annual Housing is Fundamental report, a deep dive into statistics detailing how much housing costs here, why it is difficult for many people to find, and what can be done to improve the situation. We are doing much more on the homelessness front. As the official flow-through agency for federal homelessness dollars we put out proposal calls, strike a Community Advisory Board to review them and make the call on which will be funded.

For the past three years, as COVID made the homelessness situation more dire, the federal government has relied on our knowledge of local needs and priorities to quickly be able to invest almost \$3.5 million where it would do the most good. An organization can only be great at delivering external service to the community if it has strong internal organization and leadership.

This past year we improved both elements. The board and staff worked with Arising Collective consultants to update and modernize our strategic plan. We also created a permanent Nominating Committee with a mandate to improve diversity, equity and inclusion on the board and committees, and do it in a meaningful and respectful way. For several years we did not appoint the maximum number of directors to the board, choosing to leave vacancies until we found the right people. This year's AGM is being presented with a full slate that brings in new directors with a mix of youth and experience, and who make us more diverse and representative of the community.

None of the good work and progress happens without professional staff and capable, dedicated directors and committee members. This is my final year as board chair, and I thank all of them for making it a rewarding and eye-opening experience. Special thanks and respect go to CEO Jim Russell, who drives UWP forward every day.

Jim Hendry, Board Chair United Way Peterborough & District

## **Board of Directors**

United Way Peterborough & District is governed by its Board of Directors, a dedicated group of community leaders and key decision makers who provide vision, strategic leadership, accountability and stewardship.

# **Labour Report**

As the Peterborough & District Labour Council's representatives to the Board, we are pleased to report that the Labour community's support for the United Way has continued strong despite the ongoing challenges posed by a second year of the COVID-19 pandemic. Our community benefits enormously from the generous contributions made from Peterborough's workplaces, and from the financial stability that comes from well established payroll deduction programs. Still, we have only unlocked a fraction of our community's potential and will continue encouraging locals to build momentum for the United Way at their workplaces.

In addition to direct fundraising, Labour supports United Way Peterborough & District through a variety of other means: promoting UW events, collecting menstrual products for the annual Tampon Tuesday distribution to UW Partner Agencies, and by turning out volunteers to help with "Coats for Kids and Adults too!" as well as for the autumn "Backpacks for Success" drive. In addition to the help these programs provide to individuals in our community, they also model the United Way's practical approach to change and the centrality of Solidarity to realizing our goals.

We would like to express our particular gratitude to those unions that, in addition to encouraging their members to donate individually, led the way with Solidarity contributions of their own. Many thanks to the following locals for their direct contributions to this year's campaign:

- CUPE Local 126 O KPR ETFO CUPE Local 1943
   OPSEU Local 373 OPSEU Local 345 OPSEU Local 365
   Trent University Faculty Association
- Respectfully submitted,

Charlene Avon

Stephanie Levesque

On a personal note, Charlene will be rotating off the Board following our Annual General Meeting this August. Charlene's expertise and instincts as a seasoned union rep. have served us well. Her contributions on the Board have kept UW Peterborough's own labour practices consistent with best practices elsewhere and a true reflection of our collective values. Charlene's efforts ensured the success of the Peterborough Performs auction and she played a strong leadership role these past two years on the UW Executive Committee. None of this will come as a surprise to anybody who knows Charlene, of course, but I did want it noted for the record. In Solidarity M.H.

# Message from our Campaign Chair

It has been my pleasure to serve as the United Way Peterborough and District campaign chair these past two years. I have seen firsthand generosity overcoming adversity as we worked through the unprecedented crisis created by COVID-19.

The pandemic stressed many of our workplace campaigns – especially those that relied on face-to-face events to drive their fundraising. Despite these challenges, I am left remembering the many loyal workplace campaigners who dug in and ultimately maintained, or even exceeded their pre-pandemic achievements!

Such successes are in significant part attributable to the efforts of our Campaign Cabinet members and fundraising staff whose commitment and support facilitated the shift to more virtual campaigns and creative substitutes for in-person events.

We were also fortunate to receive a transformative donation from a benefactor whose generous gift supported a Philanthropic Challenge – matching both new leadership gifts (\$1,200 and up) as well as increased leadership commitments (+\$300 or more from established leader donors). The response was nothing short of extraordinary with 86 donors donating an additional \$121,663 in new revenues, helping to ensure that United Way was able to meet all our multi-year commitments to 20 local partner agencies.

The success of this challenge grant tells me our community has the capacity and the will to rebuild. And I am excited by the potential of our volunteers and fundraising staff to convert that capacity into action. Our Director of Philanthropy and her team bring tremendous professionalism and years of valuable experience to the tasks before us.

Two years ago, we announced the goal of raising \$5,000,000 over three years. Having run two legs of this race, I was greatly relieved when Jim Hendry agreed to anchor our last lap. Jim is the kind of guy who military types might describe as "mission focused" and his commitment to the United Way is very much in evidence throughout this report. Moreover, Jim is not alone; he will be supported by the same Cabinet that assisted me enormously and which we have worked so hard to assemble over the past two years.

There is much left to do, but the people in place are all the right ones and our community is caring and generous. With thanks to my comrades on Cabinet for their support and assistance, I am proud to submit this report on our progress to date.

Respectfully submitted,

Dr. Marcus Harvey, Campaign Chair United Way Peterborough & District

# 2021 Campaign Cabinet

The United Way Peterborough & District Campaign is led by community volunteers. Because of their effort, hard work and dedication, funds are raised across all sectors to support everyone in our community, when and where they need it most.

- Embrace diversity

# **Our Partner Agencies**

Through research, consultation, and experience, we understand the priority issues in each community we serve in the City and County of Peterborough – and we invest our efforts, and your donations, where they will realize the greatest results. During the fiscal year 2021–2022 ending March 31, 2022, United Way Peterborough & District invested \$845,158 of your donor gifts into our community through our 20 partner agencies. These local organizations deliver on our mission to improve lives and build community, fulfilling our promise to create opportunities for a better life for all. Recognizing the critical role in community building our partner agencies play, our funding cycle for each of them extends over a 5-year period. United Way Peterborough & District is unique in this approach, recognizing that change takes time, this funding model allows for greater organizational stability.

# **Financial Highlights**

We provide financial statements in alignment with Canadian Accounting Standards for not-for-profits and with United Way Centraide Canada's Transparency, Accountability and Financial Reporting Guidelines.

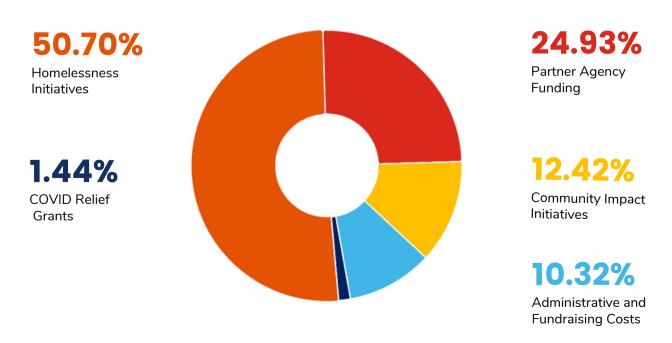

# **Revenue by Source**

United Way Peterborough & District's total operating revenue for 2021-2022 was \$3,514,935

### Where the Funds Were Invested

In 2021–2022, United Way Peterborough & District invested a total of \$3,389,387 locally.

# A Message from our Finance Team

A huge thank you once again to all our donors, volunteers and community members that helped to support the work of United Way this past year. During fiscal 2022 we received over \$1.4 million in campaign related funds including almost \$122k from the leadership challenge grant, through funds supported by an estate gift, putting us closer to our three-year goal of \$5 million by 2023.

We were also fortunate to receive over \$2 million dollars (including the funds deferred from the prior year) through the federal government's Reaching Home Program to support individuals in our community who are homeless or at risk of homelessness. With these funds we were able to support twelve separate organizations with twenty-one distinct programs. Other grant funds utilized during the year included the deferred portion of the Emergency Community Support Fund (a program to support community organizations that deliver essential services during the COVID-19 crisis) and the Canada Summer Jobs Grant, which allowed us to hire two students during the summer.

Through careful budgeting, grant acquisition and the dedication of our investment manager we finalized the year with an excess of \$278,613 in revenue over expenditures (\$125,548 related to the operating fund and \$153,065 from the Endowment fund). The Board of Directors will be reviewing the available surplus and reserve funds in the coming months to determine reasonable levels and work collaboratively with other committees to develop a plan to re-invest any available dollars into the community where it's needed most.

We are also very grateful to have been granted \$100k through the Government of Canada's Enabling Accessibility Fund and have been working on a renovation plan that will make our office more accessible. We are excited to share more with the community in the coming months once additional details are known.

As always, we'd like to end on a message of gratitude and thank the Finance Committee, Board of Directors, and the entire staff team at the United Way for their contributions towards the financial stewardship of the Organization.

Respectfully submitted,

Ashley Collins, CPA, CA Treasurer, Board of Directors

Rhonda Gilchrist

Director of Administration & Finance

# Auditor's Report | 2021-2022

REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY OF FINANCIAL STATEMENTS

### Report of the Independent Auditor on the Summary Financial Statements

To the Board of Directors of United Way of Peterborough and District

### Opinion

The summary financial statements, which comprise the statement of financial position as at March 31, 2022 and the statement of operations and changes in fund balances, are derived from the audited financial statements of United Way of Peterborough and District (the "Organization") for the year ended March 31, 2022.

In our opinion, the accompanying summary financial statements are a fair summary of the audited financial statements.

### **Summary Financial Statements**

The summary financial statements do not contain all the disclosures required by the Canadian accounting standards for not-for-profit organizations. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the Organization's audited financial statements and the auditor's report thereon.

### The Audited Financial Statements and Our Report Thereon

We expressed a qualified audit opinion on the audited financial statements in our report dated August 9, 2022.

### Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements in accordance with Canadian accounting standards for not-for-profit organizations.

### Auditor's Responsibility

Our responsibility is to express an opinion on whether the summary financial statements are a fair summary of the audited financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, Engagements to Report on Summary Financial Statements.
