

Reaching Home provides community organizations an opportunity to broaden the scope of their collective efforts to end homelessness.

Available Funding

Year 1: Funds available for use between **July 1 2026 and March 31 2027: \$395,200**

Year 2: Funds available for use between **April 1 2027 and March 31 2028: \$378,132**

There is no restriction or maximum limit on the amount of funding an applicant may request. The quantity and quality of proposals received will determine the number of projects funded and the amount of funding each project receives.

The need in the community is great and demand from community organizations for funding will likely exceed the available amounts. This application form will allow the review committee and United Way Peterborough & District to assess all proposals and determine where funds should be allocated.

General Guidance for Completing this Application

1. Please **download and save the application form file to your computer** before entering information. This form has been optimized for use with Adobe Reader (available free for download [here](#)) or Adobe Acrobat. Please do not submit handwritten or altered versions of this document, and contact reachinghome@uwpeterborough.ca if you require technical support prior to the due date listed in the RFP.
2. All questions are required unless otherwise specified. Indicate N/A if the question does not apply.
3. The amount of space provided for written answers indicates the average length of response that is expected for the question. Text should fit within the box provided and applicants are asked to not use the scroll function in Adobe (this has been turned off).  - At least one measurable target should be provided for each of the activity areas you selected in the Project Activities and Timelines section.

2.11 Sustainability Plan and/or Exit Strategy

- The project's sustainability plan or exit strategy should be outlined here. Please see below for further details, depending on which type of project you are applying funding for:
- **Service-based projects**
 - Projects providing direct services to clients are required to provide either a sustainability action plan or an exit strategy, whichever is applicable to the circumstances surrounding the project activities.
 - The sustainability plan must demonstrate how the benefits of the project will be sustainable and activities maintained after RH funding ends.
 - If an exit strategy forms part of the sustainability action plan, then the exit strategy must demonstrate that a minimum amount of disruption to clients will

occur and how the benefits to the clients outweigh any potential concerns resulting from the project ending.

- **Capital projects**

- A solid sustainability plan is required for capital projects (an exit strategy is not acceptable).
- We encourage applications that propose to increase affordable and supportive housing stock in our community by leveraging multiple sources of funding and strategic partnerships (e.g., cross-sectoral; public-private; non-profit collectives; public-non-profit).
- Applicants need to clearly demonstrate how ongoing operational costs will be managed after the purchase, construction, or renovation of the facility.
- **Required attachment:** Capital Projects must complete the Sustainability Checklist provided to ensure the sustainability plan addresses all the key elements of sustainability.
